

FAITH LABS ACTIVITY SHEET

WEEK 4 · GOD IS SOVEREIGN

BIG QUESTION:

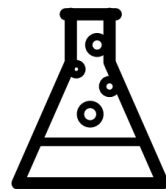

Is God in control, even when things go wrong?

BIG ANSWER:

Yes — God is always in control and works it for good!

TODAY'S BIG POINTS

- God is always in control, even when things go wrong.
- Nothing is too messed up for God to use for good.
- We can trust God and let go of trying to control everything.

BIBLE STORY RECAP

In Genesis 37–50, Joseph's father gave him a colorful coat, but his jealous brothers sold him, and he ended up far from home in Egypt — even in prison for something he didn't do. It looked like everything had gone wrong. But God was with Joseph the whole time. God gave him wisdom and made him a leader who saved many people from starving, including his own family. Joseph told his brothers, “You meant it for evil, but God meant it for good.” God was in control all along.
